

The Dick Purcell Spartan Classic was created in partnership by the Dearden Foundation and the Milton Hershey School Alumni Association. The Tournament honors the life and contributions of Dick Purcell, MHS Class of 1961. Dick's passion for helping others led him and his brother, Milt '64, to establish the Dearden

Foundation, a lifeline for young MHS graduates striving to overcome challenges and build bright futures.

Donations from the tournament directly fund scholarships, programs, and emergency services for MHS students and alumni—needs that go beyond what the school can provide. Now in its 8th year, the tournament unites the community turning every swing into meaningful support for those in need. **Spots fill up quickly, with the tournament selling out year after year, so early registration is strongly encouraged.**
